## SOARING HIGH ON THE WINGS OF SUCCESS

Dear Parents, Carers and Community,

It's hard to believe that it is Week 10 already. We've had a busy and exciting term with many successes to be celebrated. Today was our much anticipated Community Day starting with a Community BBQ. Our students have been busy collecting sponsorship so that they can compete in our first ever Colour Explosion – keep an eye on Facebook to see the explosion of colour as our students combat an obstacle course with a twist.

Teachers have been busy writing academic reports for Semester One. It has been a pleasure to see the comments from our teachers reflecting the hard work of our students so far this year as well as the variety of extra curricula activities that our students have participated in.

Congratulations to our students that have been selected to represent our school in the Wiripaang Public Speaking Finals next term. There were many fine speeches being rehearsed around the school with many Stage 3 students modelling their speeches to the younger students. I was impressed by the confidence of many of our older students in the

way they delivered their speeches in a clear and entertaining manner.

These holidays our back playground and basketball court will be open to the public through the Share our Space initiative where our back gate will be open for public access. The gates will be opened at 8am and close at 5pm. There will be a security guard in place to monitor safety and security all day.

Next term we have many events scheduled for early in the term. We look forward to our NAIDOC celebrations on Thursday 26<sup>th</sup> July where we will reflect on the theme, *because of her...*

Have a happy and safe holiday and please reinforce with your children our PBL lesson of the week, *I can stay safe in the holidays* displayed in this edition of the Wiri Whisperer. If you need to report a security concern these holidays you can call the School Security hotline. It is available 24 hours 1300 88 00 21.

Don't forget our P&C meeting tomorrow night at 6pm in the library – everyone is welcome!

*Mrs Penelope McGee*

# THIS WEEK'S WIRIPAANG WONDERS

WM

Creative arts was effectively embedded into the Literacy and History unit on 'Celebrations' where students in WM were involved in activities that encouraged design and creativity involving a variety of elements including making puppets, painting, printing and collage. In English they actively engaged in learning to write an invitation and a procedure for making patty cakes. We have been travelling all around the world through books and loved reading 'What Fluffy Bunny said to the Growly Bear'. As always, learning is lots of fun in WM! Don't forget to check out our display in the foyer this week

## PBL Week 10 Focus

Wiri says, "I can stay safe in the holidays!"

This week we will be reflecting on what it means to stay safe in the holidays. School holidays are a very exciting time of the year however we must remember to be respectful, responsible learners even outside of the classroom! When out and about, children can be confronted with situations where good decision-making is vital. Don't forget a pale blue note with information on how to be safe and make responsible decisions came home in week 7.

We are:	What it looks like:
Respectful	<ul style="list-style-type: none"> <li>I listen to my parents and carers</li> <li>I am respectful of my own and others' property</li> <li>I do not walk away from family or friends without telling them where I am going</li> </ul>
Responsible	<ul style="list-style-type: none"> <li>Someone always knows where I am</li> <li>I make safe choices when adults aren't around</li> <li>I take care of my younger siblings and friends</li> <li>I don't get in to any cars with people I don't know</li> </ul>
Learners	<ul style="list-style-type: none"> <li>I am learning that my actions have consequences</li> <li>I am learning to have fun in a safe way</li> <li>I am learning that I am in charge of my own decisions</li> <li>I am learning to always tell my parents or carer if something happens</li> </ul>

### *This is important because...*

- If everyone remembers to stay safe, no one will get hurt!
- We are learning to be respectful and responsible learners within the community
- We want you to stay safe so we see you again in Term 3!

Magnet this page on your fridge and share our Positive Behaviour for Learning message at home!

## **Debating Week 8**

During week 8 our debating teams had their first round of debates here at Wiri. One team debated against Wyee Public School with the topic "air conditioners should be compulsory in all classrooms". We were the affirmative team for this debate. We had a strong, competitive team with Kiara E, Ella M, Brodie S and Logan B. Unfortunately Wyee were deemed the winners with their negative arguments. The second debate was held against Elernmore Vale Public School. The topic for this debate was "the voting age should be lowered to 16" and we were lucky enough to be the affirmative side again. The team members were Tamara W, Calista B, Amelia B and Monique R. It was a very close debate but unfortunately Elernmore Vale were crowned the winners of this debate.

Although it was a tough day for Wiri both teams showed excellent sportsmanship towards the winning team and should be most proud of their efforts.

## **Public Speaking**

Our Whole School Public Speaking Competition is coming up again in Term 3, Week 2. Classes have been working hard over the last few weeks preparing and delivering quality speeches. Each student has been marked against a common rubric and some winners from each class have been chosen.

These students will now compete against each other for positions at the local public speaking competition next term. In the meantime these students need to practise, practise, practise their speeches in order to amaze our adjudicator! Notes will go home early next term advising parents and carers of when they can watch their child compete at the stage level within the school.

# Sport News

## Macquarie Cup Soccer Weeks 8 and 9

It was a fantastic past 2 weeks for Wiripaang's Macquarie Cup Soccer teams. Both the junior and senior teams competed admirably against Eleebana in Week 8, showing how much they have improved over the course of the term. In Week 9, our junior teams were scheduled to play each other resulting in a fun and friendly game. Our seniors achieved their first victory, winning an exciting game against St Johns 5-3!

Notes have gone out for sport in Term 3 and our soccer teams are looking for some extra players to boost our numbers. Any students interested please come and see me for a note.

Mr McNeil

## Rugby League

With a run of bad weather, the Graham House challenge Rugby league has been washed out for the past two weeks. Students have been working on skills and movement back at school in readiness for this week. In competition news, the junior and girls teams will be competing in the grand final at McDonald Jones Stadium. An amazing achievement from all involved and we wish both sides the best luck. Go WIRI!!
