Date: _____

Years 5 and 6 Excursion to Canberra

Our excursion to Canberra has been planned for Year 5 and 6 students from **Wednesday 25th November – Friday 27th November**. We will be travelling with Sid Fogg Coaches. The accommodation will be at Capital Airport Motel, Queanbeyan.

In anticipation of this excursion, students will be learning about government and our national capital, Canberra, so the excursion will support student learning through clear links to the syllabus. This excursion has been planned in accordance with the NSW Department of Education's Policies, Procedures and Guidelines. Further information can be obtained from

<https://education.nsw.gov.au/policy-library/policies/excursions-policy>

We would like to draw your attention to the following aspect of the Excursion Policy and when making the decision for your child to attend. Please be aware that the NSW Department of Education has the expectation that;

10.1 Students must behave appropriately at all times on excursions

10.1.1 Students on excursions interact with the public and are representatives of their school and community. Prior to excursions, they should be reminded of expected standards of behaviour and the application of the school's discipline code.

10.1.2 Policies and procedures relating to [student discipline in government schools](#) also apply while students are on excursions. The school discipline policy applies outside of school hours and off school premises because there is a 'clear and close connection' between the school, the students and the activity in which they are engaged.

Students who experience difficulty in behaving appropriately will be managed in accordance with the Department of Education and Wiripang Public Schools Discipline and Wellbeing Procedures (included with this document). ***As such, if a student behaves in a manner that requires suspension, parents will be expected to come and collect their child as a matter of urgency.***
